

**Team Salhouse report to Salhouse Parish Council meeting
12th August 2024**

Since our last report to Parish Council in July, Team Salhouse volunteers are continuing to work around the village.

- The flower beds around the village have been planted up with perennials which, once established, will require only minimal attention.
- Litter picking has continued on an individual basis.
- The mild and relatively wet winter and spring has left the grass verges quite soft and we would urge drivers to try and avoid parking on them, especially close to the school, as the grass is easily damaged and the mud left behind could cause pedestrians to slip as well as becoming an eyesore.

Dog mess around the village is causing some concern to residents and the subject has been addressed in the Team Salhouse article in the Summer Saga magazine together with an email, (team.salhouse@gmail.com), which may be used to report fouling. There have been no reports since the Saga was published.

Team Salhouse,
“Proud of our Village”
