

Team Salhouse report to Salhouse Parish Council meeting 14th June 2021

Since our last report to Parish Council in May, Team Salhouse members are still observing Government lock down and social distancing rules.

- Individual litter picks have continued on an individual basis and during periods of exercise and the village is keeping relatively litter free.
- The young lad who has been helping Team Salhouse with litter picking and sign cleaning has now finished his 3 month Duke of Edinburgh project and his assessment report has been completed. We all wish to thank him for his efforts and remind him that there is always a place in Team Salhouse for youngsters like him.
- The EDP & BBC Radio are promoting a Norfolk Day on 27th July and encouraging people to litter pick around their areas, it's called the big Norfolk Clean-Up. Team Salhouse hope to arrange a group litter pick on that day.
- Flower beds around the village have been cleared of the winter and spring flowers, soil improver has been applied and summer planting completed.

Team Salhouse, "Proud of our Village"
