

## **Team Salhouse report to Salhouse Parish Council meeting 12<sup>th</sup> July 2021**

Since our last report to Parish Council in May, Team Salhouse members are still observing Government lock down and social distancing rules.

- Individual litter picks have continued on an individual basis and during periods of exercise and the village is keeping relatively litter free.
- On 12<sup>th</sup> June a team of volunteers managed to clear most of the excess nettles and grass from the bank alongside the trod on the playing field. It will need re-visiting on a bi-monthly basis to keep the growth under control.
- The EDP & BBC Radio are promoting a Norfolk Day on 27<sup>th</sup> July and encouraging people to litter pick around their areas, it's called the big Norfolk Clean-Up. Team Salhouse hope to arrange a group litter pick on that day.
